*40% in Butyl carbitol

**Packing**
EPOTEC TH 982 is packed and delivered in opaque PE bags weighing 25 kg net each.

**Storage**
EPOTEC TH 982 resin should be stored in dry and cool condition in original sealed bag. Under these conditions, it has a storage life of at least one year. Acute toxicity and skin irritation of EPOTEC TH 982 resin is of very low order, however it is advised to use personnel protective equipment to avoid inhalation of dust. It is also advised to take precaution against static electric hazards while emptying bags.

**Handling**
Please refer to MSDS for safe handling of EPOTEC TH 982.
